PROFESSIONAL SUMMARY

User Experience Designer and upcoming graduate from Barnard College of Columbia University (Spring 2026) focused on research, accessibility, and user engagement. Looking to shift into product management roles with a special interest in EdTech!

EDUCATION

Barnard College, Columbia University, New York, NY

2022-2026

Bachelor of Arts, Cognitive Science, Education

GPA: 4.1

WORK EXPERIENCE

Savo Health

Dec 2025- Jan 2026

UX RESEARCH INTERN

- Led a 4-week end-to-end customer discovery initiative to validate product-market fit for a healthcare SaaS platform, synthesizing legacy data and stakeholder interviews into a strategic roadmap.
- Conducted 50+ cold calls to diabetes prevention program providers, identified 10+ critical user pain points and workflow gaps through primary research with program staff and reimbursement experts, translating qualitative insights into a "Design Criteria" framework for the engineering team.
- Developed an MVP refinement strategy by mapping Jobs-to-be-Done (JTBD) and reimbursement barriers, directly influencing the product's value proposition and feature prioritization.

Altereia

Feb 2025 - May 2025

E-LEARNING INSTRUCTIONAL DESIGN INTERN

- Reviewed and recommended UI/UX improvements for the Agents of Influence educational videogame and associated teacher dashboard (tool for teachers to incorporate games into lessons).
- Developed education materials by creating lesson plans and tagging content with appropriate standards.
- Utilized AI to research dashboard features and analyze educational trends, incorporating user feedback to inform iterative design improvements.

BAR21

Jan 2024 - Aug 2025

UI/UX DESIGNER

- Created wireframes and visual guidelines in Figma, applying scientific UI/UX design principles alongside user-centric storyboarding and inclusive design practices.
- Collaborated with design, storyline, and development teams to refine and optimize digital interactions in alignment with established design standards.
- Developed over 10 puzzles across multiple sites and platforms (e.g., goat error page puzzles), ensuring consistency and engaging user experience.

Sharp Electronics Corp.

ASSOCIATE MARKETING COMMUNICATIONS SPECIALIST

Sep 2022 - Aug 2024

- Served as Sharp's primary ADA specialist, revamping website content and restructuring digital documents to meet ADA compliance standards and enhance user accessibility.
- Enhanced digital marketing communications by integrating accessibility guidelines and inclusive design principles.
- Collaborated on the consolidation of B2B and B2C websites by redesigning business site pages using Adobe XD, with a focus on user-centric design and visual consistency.
- Utilized Pardot and Dreamweaver to edit and upload content, ensuring that SEO strategies improved user engagement

and site performance.

MARKETING INTERN

May 2022 - Aug 2022

- Participated in calls with dealers to gather user feedback for website functionality improvements, driving user-centric enhancements and increased site traffic.
- Led the ADA compliance initiative by restructuring over 100 digital marketing materials to adhere to accessibility standards using Adobe Creative Suite.

Authored and published internal newsletter articles highlighting employee accomplishments.

EF EducationFirst

May 2024- Aug 2024

ESL TEACHER

- Designed engaging CEFR-based English lessons for diverse international students (including China, Germany, France, Spain, etc.), fostering language skills and cultural exchange in dynamic 3.5-hour classes. Class size was 13-22 students.
- Adapted teaching strategies for junior (ages 10-13) and senior ESL students (ages 13-17), consistently achieving high ratings (4.6/5) and positive feedback from learners.

Preply

May 2023 – Present

KOREAN TUTOR

Developed curriculum for speech-centered Korean lessons using Michel Thomas-inspired methods. Tracked student progress while adapting teaching strategies for optimal language acquisition for personal research. Taught student with dyslexia for 2 years+.

PricewaterhouseCoopers (PwC) & Extern

Jun 2023 - Aug 2023

CONSULTING EXTERN

- Analyzed donor landscape and fundraising trends to develop profiles for Google Ad Grants, Nike Black Community Commitment, and TED's Audacious Project; synthesized findings into weekly presentations for PwC leadership and delivered a final recommendations deck to the client.
- Selected as an Extern ambassador for strong presentation skills and creative analytical approach.
